

## **PARKING REGULATIONS**

The Library Parking Lot, with its entrance on Church Street, is for Library business and is not a public or municipal lot. During Library hours of operation it may be used only by people who are *in* the Library. When a person leaves the Library, he/she should remove his/her car so that space is available for other Library users. The limited space is needed for Library patrons and staff. Please respect staff, handicapped and those spaces marked reserved. After one written warning the vehicle in violation will be towed at the owner's expense.
